Part IV, line 2b:

During 2018, The Fund agreed to serve as fiscal agent on behalf of the Schwartz Ward Family Foundation (the Foundation) with respect to the Executive Principal Program in partnership with Chicago Public Schools. The Fund received payments of \$210,000 and \$90,000 in 2019 and 2018, respectively, from the Foundation, and disbursed \$90,000, \$105,000 and \$105,000 during 2020, 2019, and 2018, respectively, under the direction of the Foundation to Chicago Public Schools for payment of stipends to principals participating in the program. Amounts held for others as fiscal agent under this program totaled \$0 and \$105,000 at December 31, 2020 and 2019.

Part XIII Supplemental Information *(continued)*

During 2020, The Fund entered into the COVID-19 Comeback Fund fiscal agency agreement with Chicago Public Schools and various funders. Under this agreement, The Fund is disbursing up to \$10,000 to each school determined by Chicago Public Schools to be eligible for a flexible grant to support projects that supplement learning in the current environment. A total of \$2,150,000 has been received from nine funders as of the end of 2020 and \$1,978,200 in grants was disbursed during 2020. The amount held for others as fiscal agent under this program totaled \$171,800 at December 31, 2020.

Part V, line 4:

The Chicago Public Education Fund Endowment (the "CPEFE") has been established to support the operations and initiatives of the Chicago Public Education Fund (the "Fund") and its programmatic activity over the long term.

On December 31, 2020, the Lewis Sebring Family Foundation transferred the initial sum of \$1,000,000 to the Fund. The endowment fund will be used to further The Fund's mission of supporting and transforming Chicago's public schools.

Part X, Line 2:

The Fund is generally exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and applicable state law. In addition, The Fund qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

Part XIII Supplemental Information *(continued)*

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed on a tax return should be recorded in the financial statements. Under this guidance, The Fund may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of The Fund and the various positions related to the potential sources of unrelated business taxable income. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The Fund does not believe that there are any unrecognized tax benefits or tax liabilities that should be recorded for the reporting periods presented in these financial statements.

identifying and scaling what works for not only teachers and principals, but also their students.

Form 990, Part III, Line 4a, Program Service Accomplishments:

2020 and school buildings were closed. In this context, Chicago's 652 principals played an important role in ensuring that students were healthy, supported, and ready to return to school. The Fund doubled down on our supports for school leaders during this time. Our partners quickly modified their in-person coaching sessions to virtual formats. They adapted their support to meet principals' more immediate needs, such as focusing on remote learning and family engagement strategies.

In total, 254 principals and 106 aspiring principals in 284 schools across the city completed Fund programming in June of 2020. These efforts ensured that the majority of program participants (84%) continued to engage with our partners after remote learning began.

This included 59 assistant principals in APs Rising, a suite of targeted development opportunities through The Chicago Principal Partnership (The Partnership), designed to support assistant principals (APs) interested in future principal roles. By July 2020, three APs in the program had secured principal contracts. Over 120 principals and 50 aspiring principals participated in 25 principal-led Professional Learning Communities (PLCs). Each PLC is facilitated by a

area.

The Fund also supported 57 principal-led teams through our eighth annual Summer Design Program (SDP), a unique professional development opportunity that offers school teams the space, time and expertise to pursue innovative solutions to some of their most pressing challenges. Through the 2020 SDP, principal-led teams worked directly with expert partners from Fulcrum Education and the National SAM Innovation Project around instructional leadership. In March, Fulcrum and NSIP adjusted their supports to focus on remote learning and other immediate needs. Thirty-two out of the 36 school teams working with NSIP mostly or fully met the benchmarks for continuing the program's time tracking systems in a remote setting. We also partnered with the CPS Office of Early Childhood Education (OECE) and nonprofit partner VOCEL to launch the Building Early Learning Leaders (BELL) program, an early-learning pilot to support higher quality early learning by fostering alignment between school leaders and early-grades teachers.

In addition, The Fund's work included efforts to improve the retention of Chicago's top-performing principals through the Chicago Principals Fellowship (The Fellowship), The Cahn Fellows Program and the Executive Principal Program. The Fellowship, which is a partnership between The Fund, Crown Family Philanthropies, Chicago Public Schools and Northwestern University, is an executive-level leadership development program intended to grow the skills of top principals and further expand their leadership capacity. Twenty-six high-performing principals completed the sixth cohort of The Fellowship in 2020, committing to lead in Chicago through at least 2022. The Cahn Fellows Program at

Teachers College, Columbia University, offered programming to seven Chicago principals. The Cahn Fellows Program is a national program that recognizes top principals and develops their capacity as leaders. In 2020, eight principals participated in the Cahn Fellowship. Lastly, the Executive Principal Program served 14 principals in 2020. This program is a unique year-long opportunity for two principals to work and grow together through an intensive mentorship relationship.

Across all our program investments, we doubled down on our organizational commitment to equity. This included prioritizing supports for the schools that need it the most through the South Side Education Alliance, which serves eight elementary schools on Chicago's South Side through a collaborative approach - the group shares data, defines common outcomes and tests solutions in partnership with schools and communities. We also decided to extend programs that provided coaching for school leaders into the 2020-21 school year, including SDP, SSEA and PLCs among others.

In addition to scheduling, we also published a report that featured innovative budgeting practices for principals to meet the needs of their communities. This report was the third in our series on equitable funding and budgeting in Chicago public schools.

We also continued to provide actionable data to CPS and other partners.

We built Customer Relationship Management (CRM) functionality into our Principal Data Warehouse to allow for more real-time use by principal managers and district leaders. We also continued to engage Local School Council (LSC) members through our focus group that addressed needs like hiring principals and navigating school budgets.

in the field; and 3) provided strategic and financial support to our partners who work directly with principals.

At the start of the 2020-21 school year, education funders and foundations in Chicago came together to create a COVID-19 Comeback Fund to support schools as they started a new school year in remote learning. The Fund played a role by facilitating the disbursement of flexible funding up to \$10,000 to over 200 public schools in neighborhoods most hit by the pandemic. The program provided us an opportunity to engage with school leaders as they navigated remote learning with their teams, students and families. We gleaned promising trends and interviewed principals to document learnings in case studies.

Finally, The Fund celebrated educators citywide through our fourth annual Principal Appreciation Campaign. Given the ongoing pandemic restrictions, this included a social media campaign, wellness gifts for principals and a virtual event that featured stories of resilience from school leaders.
