#### Part IV, line 2b:

The Fund serves as fiscal agent on behalf of the Schwartz Ward Family

Foundation (the Foundation) with respect to the Executive Principal

Program (the Program) in partnership with Chicago Public Schools. In

December 2019, The Fund received \$210,000 in payment for second year

stipends under this program, and \$105,000 of this amount was disbursed to

Chicago Public Schools during that month. Amounts held for others as

fiscal agent totaling \$105,000 at December 31, 2019 are reflected on the

statements of financial position in an amount equivalent to the related

balance held in investments.

The Fund is exempt from federal income tax under Section 501(c)(3) of the

Internal Revenue Code and applicable state law. In addition, The Fund

qualifies for the charitable contribution deduction under Section

170(b)(1)(A) and has been classified as an organization that is not a

private foundation under Section 509(a)(2).

The accounting standard on accounting for uncertainty in income taxes addressed the determination of whether tax benefits claimed on a tax return should be recorded in the financial statements. Under this guidance, The Fund may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of The Fund and the various positions related to the potential sources of unrelated business taxable income. The tax benefits recognized in the financial statement from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. The Fund does not believe that there are any unrecognized tax benefits or tax liabilities that should be recorded for the reporting periods presented in these financial statements.

Form 990, Part III, Line 1, Description of Organization Mission:

identifying and scaling what works for not only teachers and

principals, but also their students.

Form 990, Part III, Line 4a, Program Service Accomplishments:

impacted principal satisfaction, retention and student outcomes across

important measures: 90% of principals say their participation in Fund

programming increased their in-role satisfaction, and 31% of

participating principals achieved an improvement in their overall

5Essentials rating, compared to a system wide average of 21% for all

non-participating principals.

Specifically, we served 283 principals in 373 program slots. This includes 32 principals who improved retention rates among their teachers in partnership with The New Teacher Project (TNTP) and Chicago Public Schools (CPS) and 23 principals who worked with Tegy, Inc., to modify their school schedules to more strategically serve their students. One-hundred-fifty-four principals participated in one of 20 principal-led Professional Learning Communities (PLCs). Each PLC is facilitated by a high-performing principal with known expertise in a specific topic area.

The Fund also supported 70 principal-led teams through our seventh annual Summer Design Program (SDP), a unique professional development opportunity that offers school teams the space, time and expertise to pursue innovative solutions to some of their most pressing challenges.

Innovation Project.

Name of the organization Chicago Public Education Fund 36-4279013

Through the 2019 SDP, principal-led teams worked directly with expert partners from University of Chicago Impact and the National SAM

In addition, The Fund's work included efforts to improve the retention of Chicago's top-performing principals through the Chicago Principals Fellowship (The Fellowship), The Cahn Fellows Program and Executive Principal. The Fellowship, which is a partnership between The Fund, Crown Family Philanthropies, Chicago Public Schools and Northwestern University, is an executive-level leadership development program intended to grow the skills of top principals and further expand their leadership capacity. Twenty-three high-performing principals joined the fifth cohort of The Fellowship in 2019, committing to lead in Chicago through at least 2021. The Cahn Fellows Program at Teachers College, Columbia University, offered programming to seven Chicago principals. The Cahn Fellows Program is a national program that recognizes top principals and develops their capacity as leaders. We also launched the Executive Principal program in the 2018-19 school year. This program is a unique year-long opportunity for two principals to work and grow together through an intensive mentorship relationship. Principals, who spend up to 300 hours together throughout the school year, are paired based on complementary strength and growth areas and school demographics. Six principals engaged in the first cohort.

Across all our program investments, we double down on our organizational commitment to equity. This included prioritizing supports for the schools that need it the most through one of our pilot efforts, the South Side Education Alliance. This program serves eight

Form 990, Part III, Line 4b, Program Service Accomplishments: included launching an LSC Focus Group with 12 members who all represent parents and community members. With this group, we created an informational video around the complicated processes of hiring principals and navigating school budgets, and we compiled a principal hiring toolkit. Finally, in 2019, we identified the next edge of growth in Chicago's talent strategy: building a strong leadership bench for new principals. Our data analysis showed that school performance tends to drop in the year following a principal transition and does not recover the difference, even three years later. However, successors who have prior principal experience at another CPS are typically able to drive greater improvement over time. Through the generous support of the Crown Family Philanthropies, we launched two pilot programs in the 2019-20 school year, APs Rising and the Chicago Principal Endorsement Partnership, to make the pathway to the principalship more transparent and to create principal-like experiences for aspiring leaders. Form 990, Part III, Line 4c, Program Service Accomplishments: Chicago. The Fund's annual engagement survey yielded a nearly 80% response rate and informed organizational strategy and programming.

The President and CEO reviews the completed Form 990, and then it is

Form 990, Part VI, Section B, Line 12c:

Officers, directors, and key employees complete a questionnaire to disclose annually any business transactions or relationships they or a family member may have had with The Fund or any of its officers, directors, or key employees. Potential conflicts noted in the responses are passed along to the President & CEO for review and, when necessary, referred to the Executive Committee for their consideration.

In addition to the required annual conflict of interest questionnaire, The Fund's Board of Directors' policy covering conflicts of interest provides that directors and staff have the responsibility to immediately disclose potential conflicts of interest and refrain from influencing other directors or staff in relation to those matters. If a potential or actual conflict arises, directors also have the responsibility to recuse themselves at an appropriate time. Directors, staff and their immediate family members cannot realize any direct or indirect personal financial benefit from a Fund investment.
